RESPONSE TO RESTRICTION REQUIREMENT WITH TRAVERSE

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the restriction requirement set forth in the Office Action mailed June 16, 2004 (Paper No. 06072004), Applicant hereby provisionally elects the claims of Group I, claims 1-17 and 22-25, for continued examination.

The Examiner has required restriction between Groups I and II based on his assertion that:

the process as claimed can be practiced by another material different apparatus such as a mounting bracket that can be constructed from any shape having the material of copper; or the apparatus as claimed can be used to practice another and materially different process such as fastening the electronic device to the conduction layers mounted between the device and the attachment member comprising a thermally conductive material.
June 16, 2004 Office Action, page 2.

While Applicant has provisionally elected the claims of Group I for continued examination, Applicant objects to the Examiner's determination of multiple species in the figures. It is clear, not only from the Brief Description of the Drawings, but also from the statements and descriptions throughout the specification, that all of the figures, Figures 1 – 7, illustrate different views of some aspect of the conduction bracket shown in Figure 1. Therefore, Figures 1 – 7 are each useful to the understanding of all of the claims, including the claims of group I. Applicant respectfully observes that the Examiner's determination of different species is insupportable and inconsistent with the clear statements from the specification. Applicant, thus, requests the Examiner to withdraw his species election requirement.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 08-2025, under Order No. 10017961-2 from which the undersigned is authorized to draw.

I hereby certify that this correspondence is being deposited with the U.S. Postal Service as Express Mail, Airbill No. EV375344714US, in an envelope addressed to: MS Amendment, Commissioner for Patents, PO Box 1450, Alexandria, VA 22313-1450, on the date shown below.
